and deplorable crime that certinatlly deserv  
the sentencing handed down I can only  
hope that the time Glade Lusk is required  
to spend will in some way benefit both  
society and himself upon his return.

You sit have a very difficult job I  
hope that somewhere along the line you  
can see the good side of Glade Lusk as I  
remember him and his family.

Thank you for your time
